E. PERFORMANCE OUTCOME MEASUREMENT

The program performance categories listed below are required under the three Federal grant programs by the U.S. Department of Housing and Urban Development (HUD). Please check one of the boxes under the following program performance categories that apply to your proposed project.

- 1. Which one of the following objectives will the proposed activity address? (TIP: What is the purpose of the activity?)
 - () Create a Suitable Living Environment
Relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment. This objective relates to activities that are intended to address a wide range of issues faced by low- and moderate-income persons, from physical problems with their environments, such as poor quality infrastructure, to social issues such as crime prevention, literacy, or elderly health services.
 - () Provide Decent Housing
Covers the wide range of housing activities that are generally undertaken with HOME and CDBG funds. This objective focuses on housing activities whose purpose is to meet individual family or community housing needs.
 - () Create Economic Opportunities
Activities related to economic development, commercial revitalization, or job creation.
- 2. Which one of the following outcomes will the proposed activity meet? (TIP: What type of change or result am I seeking?)
 - () Improve Availability or Accessibility
Applies to activities that make infrastructure, public services, public facilities, housing, or shelter available or accessible to low- and moderate-income people, including persons with disabilities. Accessibility does not refer only to physical barriers, but also to making the basics of daily living available and accessible to low- and moderate-income people where they live.
 - () Improve Affordability
Applies to activities that provide affordability by lowering the cost, improving the quality, or increasing the affordability of a product or service to benefit a low-income household. Activities can include affordable housing, basic infrastructure hook-ups, or services such as transportation or day care.
 - () Improve Sustainability
Sustainability is specifically tied to activities that are designed for the purpose of ensuring that a particular geographic area as a whole (such as a neighborhood) becomes or

remains viable by providing benefit to persons of low- and moderate-income or by removing or eliminating slums or blighted areas, through multiple activities or services that sustains communities or neighborhoods.

F. PROJECT PHASING

It is helpful to know if your project will span over multiple years, and if you intend to apply for future CDBG funds. This information is not considered a disadvantage during the review of the application.

1. Can the proposed project be divided into smaller projects, if necessary?
() Yes () No
2. Is the proposed project part of a larger project involving more than one phase?
() Yes () No
3. Please attach a description and map of the overall project area for environmental assessment purposes.
() Attached () Previously Provided
